

Riviera Towel Warmer

WarmlyYours Riviera towel warmer is manufactured from superior quality stainless steel and comes in both a polished or brushed finish for durability and long lasting beauty. It has 9 sleek horizontal bars designed to dry and warm large towels or bathrobes with ease. A programmable timer allows you the flexibility to set it in advance so your towels are warm and ready for you when you step out of the shower or bath. Including this as a comfort element of your bathroom design can help you create that tranquil and relaxing spa atmosphere that you have always dreamed about. Imagine your home with the warmth of this beautiful and functional towel warmer.
